

**Petition to Approve Substitution for a Required Course
for the BSBE Degree**

Student's Name _____

UA ID# _____

I am requesting approval of this course:

Prefix and number: _____ Title: _____

to be applied as a substitution for the following required course on the BSBE degree:

Prefix and number: _____ Title: _____

Reason for Request: *(why was the required course not taken)*

Transfer Credit Dual Major

Scheduling Conflict Career Goal

Other _____

Justification:

Describe similarity or overlap between the proposed substitution and the required course. If the proposed course is an engineering course, was the program ABET-accredited?

State how the substitution will allow the student to retain the essential competencies of the biological engineering degree (with no decrease in total engineering credit hours).

Submitted by:

Approval:

_____ Student

_____ for the Curriculum Committee

_____ Adviser

Date: _____

Date: _____

(If this is a transfer course, the student may be asked to provide a course description or syllabus.)
