

**Petition to Approve  
Honors Thesis (BENG 451VH) or Special Problems (BENG 450V)  
for Engineering Elective Credit for the BSBE Degree**

Student's Name \_\_\_\_\_

UA ID# \_\_\_\_\_

I am requesting approval of:

\_\_\_\_ BENG 451VH Credit Hours: \_\_\_\_

\_\_\_\_ BENG 450V Credit Hours: \_\_\_\_

To be counted as Engineering Elective credit on my BSBE degree.

Justification:

The following Engineering Content was a significant part of the project:

- \_\_\_ Engineering Design of a Device, Process, Algorithm or System
- \_\_\_ Feasibility Study with Quantitative Modeling or Analysis
- \_\_\_ Field Monitoring with Custom Instrumentation and Analysis
- \_\_\_ Equipment Test or other System Test or Facility Audit with Analysis
- \_\_\_ Hypothesis Based Research with a Directed Recommendation

Please describe the engineering content of your project. Refer to checkbox or other.

Given the nature of your project, list the engineering courses that were needed (similar to pre-requisites) to do this work.
